

## 2023 4-H Shooting Sports National Quiz Bowl DRAFT Results

Happy Saturday to everyone! I hope this weekend finds you well.

**First**, I huge shout-out to **University of Alaska/Fairbanks and Alaska 4-H** as well as **Oregon State University and Oregon 4-H** for supporting this year's **4-H Shooting Sports National Quiz Bowl**. This would not be possible without support at the state level to make it possible.

Please encourage your 4-H youth to write thank you letters. Here are the addresses.

### **Alaska 4-H Program Leader - Eugenia Hartsook**

State Office - Fairbanks  
1751 Tanana Loop, Box 756180  
Fairbanks, AK 99775

### **Oregon 4-H Program Leader - Cathy Haas**

Oregon State University Extension Service  
119 Ballard Extension Hall  
Corvallis, OR 97331

After more than 50 hours of sorting through **10 different spreadsheets** with **45 Teams**, nearly **450 individuals** from **40 states**, I'm pleased to announce (that I think) the scores are finally ready. If last year taught us anything it was that more eyes are better, so I'm releasing these in **DRAFT** form for your review. Any errors that we missed will be changed by next **Friday (Feb. 3rd)** when these results will become official and awards will be mailed.

This year was particularly challenging. Last year was a great year with roughly 170 entries. Although I anticipated growth, I didn't think we'd see 2.5x more participants and 3x more teams. I also wanted to protect the integrity of the quiz and assure that everyone did their own work. The effort paid off and we retested a few folks that got caught in the web of IP addresses and browser IDs. I hope we managed to weed out all the scores that would disenfranchise other kids (**fair warning** - we likely won't do retests next year. It slows down the results output and creates way too much work for the scoring team).

We appreciate your participation. If you haven't yet please take a minute to fill out this survey to help make next year's event even better. The survey link can be found here

<https://forms.gle/4DLqEkNQYBk4D4mM9>

Thanks again for taking advantage of this opportunity. The results can be found at <https://4-hshootingsports.org/quiz-bowl-study-materials/> on the National 4-H Shooting Sports webpage. Please let me know if you see any errors no later than next Friday.

Sincerely, Todd
